# MAKE *your* MARK

4-H'ers are known for making their mark on the world around them. From the rocketry competition team in Texas winning a global rocketry competition to 4-H'ers volunteering to assist the elderly, the good we see in the world is often the direct result of 4-H. With the 2014 Catalog, we wanted to make our mark on your 4-H life. Not only is the catalog easier to use, but we have dedicated five pages to showcase individuals at various levels of 4-H who are making their mark on a daily basis.

Over the last year, our team has talked with you over the phone, exchanged emails with you, and in many cases sat down with you to learn what you really wanted from your 4-H Catalog. We listened, and we hope you'll see some of your guidance in this catalog and our online store at [www.4-HMall.org](http://www.4-HMall.org). We have implemented a table of contents so you don't have to spend precious minutes looking for that one specific item. You'll find our catalog has been organized to fit how you live your 4-H life; from camp to fair, and clubs to conferences. Want to see what some of our products look like on real 4-H'ers? Flip to the last page. And finally, we have lowered our shipping rates and are constantly looking for ways to help you save money on your next 4-H purchase.

For more than 80 years, the 4-H Catalog has served as the official source of the 4-H emblem products for the 4-H community. All purchases made through the 4-H Catalog and our online store directly provide monetary support to 4-H clubs across the country and around the world. We pride ourselves on our ability to provide our customers with exemplary service, and we look forward to another year of helping you make your mark on the world around you.

With Sincere Gratitude,  
The 4-H Supply Staff

National 4-H Council is the private sector, non-profit partner of 4-H National Headquarters located at the National Institute for Food and Agriculture (NIFA) within USDA. The 4-H programs in the United States are implemented by the 109 land-grant universities and the Cooperative Extension System through their 3,100 local Extension offices across the country.

All sales are made solely upon the following terms and conditions as well as any additional terms and conditions that appear on the face of the order form:

1. **ORDERS:** A binding contract will be formed only when your order is accepted in whole or in part by us. Terms and conditions on your order form at variance with or in addition to terms and conditions stated herein are binding upon us only if specifically accepted by us in writing. Your assent to these terms and conditions shall be presumed conclusively from your acceptance of all or part of the goods and/or services hereunder.
2. **PRICE:** Unless otherwise stated prices are net FOB, point of origin, exclusive of transportation, insurance and sales tax, and subject to change without notice. Shipments will be billed at prices in effect on the date that we accept your order.
3. **TERMS OF PAYMENT:** Unless otherwise stated, payments are due and payable net thirty (30) days from date of invoice. Invoices will be rendered upon shipment of goods to you. For each thirty (30) days, or part thereof, that an invoice remains overdue, you will be charged interest on the unpaid balance at a rate not exceeding the maximum lawful rate. Payments should be sent to:
 

National 4-H Council Supply Service  
BB&T Bank  
P.O. Box 37113  
Baltimore, MD 21297-3113
4. **BACK ORDERS:** Partial shipments may be made at our option. If all items are not shipped on the same date, pro rata invoices will be rendered. If an item is back ordered, you may contact Customer Service and request a substitute item or cancel the back ordered item. **If we cannot ship the back ordered item within 60 days after receipt of order, we will automatically cancel the back ordered item and issue a credit or refund as appropriate.**

5. **TAXES:** Prices exclude all duties, taxes or other governmental charges which now are or hereafter may be imposed upon the sale or use of the goods and/or services herein. All such taxes or other charges paid by us shall be for your account and shall be added to the prices set forth herein. Currently we are required to collect tax on shipments to IL, OH, MD, and MN. Any exemption claimed from the application of such taxes or charges should be plainly designated on the face of the orders placed with us and accompanied by exemption certificates where the law so requires.
6. **DELIVERY:** Normal delivery is usually within 7-10 business days after receipt of order for stock items. Note that Factory Direct items are always shipped separately. Special order and personalized items may take longer, as follows:

**7-10 business days - Custom medallions, plaques, trophies  
15 business days - Custom apparel, belt buckles, engraved medals, custom ribbons, and custom pencils & pens**

In estimating such dates, no allowance has been made, nor shall we be liable directly or indirectly for delays of carriers or delays from labor difficulties, shortages, strikes or stoppages of any sort, fires, accidents, failure or delay in obtaining materials or manufacturing facilities, acts of government affecting us directly or indirectly, bad weather, or any cause beyond our control or causes designated Acts of God or force majeure and when such delays arise, the estimated delivery date shall be extended accordingly. We will not be liable for any damages or penalties whatsoever, whether direct, indirect, special or consequential, resulting from our failure to deliver or delay in delivering unless otherwise agreed in writing by us.

The date of delivery of goods is the date of delivery to the initial carrier. As of such date, risk of loss is transferred to you. You are solely responsible for claims for loss or damage thereafter, as well as for loss or damage in transit. **You should inspect your shipment for errors, shortages or other discrepancies immediately upon receipt and report such to Customer Service no later than thirty (30) days after receipt.**

**Note: We traditionally close for inventory and do not ship merchandise from our warehouse during the last week of June and we re-open after the 4th of July holiday. Please call Customer Service for additional information.**

7. **WARRANTY:** Merchandise furnished by us hereunder has been produced by third parties and is warranted only to the extent of the original manufacturer's or supplier's warranty. We will assist you to the extent possible in resolving any warranty related claim with the original manufacturer or supplier upon timely request.

THE FOREGOING IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, GUARANTEES, OBLIGATIONS OR LIABILITIES, EXPRESS OR IMPLIED, BY STATUTE OR OTHERWISE. IN PARTICULAR THERE SHALL BE EXCLUDED THE IMPLIED WARRANTY OF MERCHANTABILITY AND THE IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE. WE SHALL NOT IN ANY EVENT BE LIABLE FOR ANY COST OR EXPENSE, INCLUDING LABOR IN CONNECTION WITH REMOVAL OR REINSTALLATION, FOR INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND, NOR FOR ANY CLAIMS ARISING OUT OF THE SUPPLY OR USE OF ITEMS FURNISHED HEREUNDER, EXCEPT AS SET FORTH HEREIN.

8. **REJECTION/RETURN/CANCELLATION:** Merchandise may be rejected for cause only if you notify us in writing within thirty (30) days after the date of delivery. Failure to provide such notification constitutes acceptance. Only orders for standard goods or materials may be cancelled and only standard goods or materials may be returned. No goods or materials may be returned more than 30 days after the date of delivery except with our prior authorization. Upon request, we will send you a preprinted return mailing label. An order for standard goods or materials may be cancelled prior to delivery and standard goods and materials may be returned within 30 days after the date of delivery, subject to a cancellation/re-stocking charge of 15% of the order value.
9. **APPLICABLE LAW:** The rights and duties of the parties shall be governed by the laws of the State of Maryland, without reference to its choice of law rules.

# CELEBRATE *your* DEVOTION

*Arne Simon*

**VOLUNTEER**

LOUISIANA

Meet Arne, not only a 4-H parent, but also a 4-H volunteer. Arne was brought into the 4-H family by his wife, June, when they met. She was active in the 4-H community and soon their six kids were 4-H'ers as well. When June passed away, Arne devoted himself with deeper resolve to the Vermillion County 4-H Club. Through his wife's love for 4-H and their children's passion, Arne has become a celebrated force in his 4-H community by volunteering at club meetings, stock shows, and the Louisiana State 4-H University event. Arne believes that 4-H is creating the leaders of the next generation and will continue to be a leader in positive youth development in America and around the world.

## Robotics

### 4-H Robotics: Engineering for Today and Tomorrow

This curriculum focuses on basic physical science concepts related to robotic systems, the scientific inquiry process, the engineering design process, technology tools used for learning and communications, and the exploration of science, engineering and technology careers. The curriculum is comprised of three tracks: Virtual Robotics (DVD), Junk Drawer Robotics (Books), and Robotics Platforms (DVD).

#### Virtual Robotics Track (DVD)

*Item: 08430* **\$9.95** Grades 4-12

Youth will have opportunities to build and test virtual robots. Participants interact in a virtual environment as they learn basic science and robotics concepts without investing in expensive materials or supplies. This track makes use of videos, simulations, animations and other media to convey content in a meaningful and engaging manner.

System requirements:

Macintosh 10.4 or Higher or a PC with Windows XP or higher:

- Processor: 1.5 GHz or higher
- RAM: 1 GB (2 GB Recommended)
- Free HDD Space: 3 GB
- Graphic accelerator card: 128 MB
- Sound Card

#### Junk Drawer Robotics Level 1 – Give Robots a Hand

*Item: 08431* **\$7.95** Grades 4-12

Youth explore and learn about robot arms. Concepts covered include pneumatics, arm designs, and three-dimensional space. Big ideas include form and function, scientific habits of mind, and engineering design. (78 pages)

#### Junk Drawer Robotics Level 2 – Robots on the Move

*Item: 08432* **\$7.95** Grades 4-12

Youth learn about robots that move with legs, wheels and underwater. Concepts covered include friction, basic electrical power and motors, engineering constraints, gear systems, and buoyancy. (76 pages)

#### Junk Drawer Robotics Level 3 – Mechatronics

*Item: 08433* **\$9.95** Grades 4-12

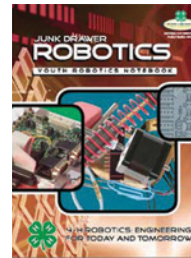

Youth will explore sensors and analog and digital systems. This level introduces simple electronic components; youth will build basic circuits

to see how the components work. They will investigate basic elements of programming and instructions for robotic computer control. (92 pages)

#### 4-H Robotics – Youth Notebook

*Item: 08435* **\$5.95** Grades 4-12

There is one Robotics Notebook for the three levels of the Junk Drawer Robotics curriculum. The notebook encourages youth to think and act like scientists and engineers. In their notebook, they will record their ideas, collect data, draw designs, and reflect on their experiences. It also provides specific information for the challenges. Each youth should have his or her own Robotics Notebook.

#### Robotics Platforms Track (DVD)

*Item: 08434* **\$9.95** Grades 4-12

DVD – Includes a Facilitator Guide PDF and Youth Notebook PDF

Youth will use commercial robotics kit to explore the world of robots. The activities developed for this track can be used with a variety of commercial kits,

including NXT, and Vex. As participants experience each module, they will develop scientific knowledge and technological understanding that will enable them to master the challenge presented at the culmination of that level. As they progress through the activities, the Robotics Notebook will help youth to keep a record of their progress and serve as an important learning tool.

#### Robotics Curriculum Set

*Item: 08436* **\$49.95** Grades 4-12

Includes all three tracks: Virtual, Junk Drawer, and Platforms.

- Virtual Track DVD
- Junk Drawer Robotics Series (3 Books)
- 1 Youth Notebook
- Robotics Platforms DVD

## Geospatial

**Geospatial – Exploring Spaces, Going Places (CD)***Item: 08358* **\$15.00** Grades 4-12

Exploring Spaces, Going Places explores the world of geospatial science and goes where no 4-H project has ever gone before! Accessed entirely on one CD, the three youth levels and helper's guide are valuable resources

to anyone interested in geospatial technology, geographic education, Geographic Information Systems (GIS) and Global Positioning Systems (GPS). Activities correlate with National Education Standards.

**1 – Getting Out**

Where in the world are you? Youth are introduced to new ways of thinking about geographic positions, navigational tools (like GPS, compasses, maps and globes), identifying locations, measuring distances and more. Project activities like "Mega Bite's Mystery," "Map Teller," "Data Everywhere!" and "The Navigator" make learning fun!

**2 – On The Trail**

Maps, maps, everywhere! Future map-makers will learn how to collect data, combine the data with geographical positions and then make their own maps. Maps of school grounds, neighborhoods, farms or towns, states and beyond can be made. The choice is theirs!

**3 – Reaching Your Destination**

Can maps solve problems? Can they lower traffic congestion, pinpoint pollution sources, boost tourism, reduce disease and control crime? Advanced learners find solutions to problems like these as they develop and use multilayered maps to solve complex problems within their own communities.

**Helper's Guide**

The helper's guide, also included on the CD, supports group activities and group fun. This CD provides the helper with the background and information needed to introduce learners to the world of geospatial concepts, GPS, magnetic compass, maps and GIS. Activities include GPS Treasure Hunt, As the Ring Turns, Navigational Skillathon, I-M-A-G-E Bingo, Letterboxing, GPS Search & Rescue – Find Bubba! and much more!

## Exploring Your Environment

This environmental science curriculum focuses on water conservation, energy use, climate change, recycling, natural resources stewardship and air quality. The curriculum consists of two youth guides and one facilitator guide.

**Exploring Your Environment – Ecosystem Services***Item: 08410* **\$6.95** Grades 6-8

Youth will have the opportunity to engage in hands-on activities that focus on how living and non-living

organisms interact within the ecosystem and provide benefits for humans and other living beings. (56 pages)

**Exploring Your Environment – Earth's Capacity***Item: 08411* **\$6.95** Grades 6-8

Focusing on environmental stewardship, youth will learn scientific research techniques, responsible practices and innovative technologies that positively address environmental issues such as air and water quality, land use, carrying capacity, product life cycle, and ecological sustainability. (64 pages)

**Exploring Your Environment – Facilitator's Guide***Item: 08412* **\$6.95** Grades 6-8

The Facilitator's Guide will provide training, supplemental activities and resources to ensure the high quality delivery of the curriculum to individual youth and groups of young people. (68 pages)

There's No New Water

**There's No New Water!**  
– Facilitator's Guide

Item: 08420 \$15.95 Grades 6-8

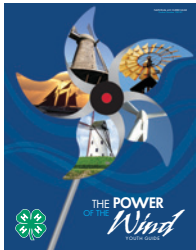

This water conservation and water quality curriculum is grounded in a simple yet powerful concept that water is a finite natural resource whose quantity and quality must be responsibly preserved, protected, used, and reused. The curriculum includes six sequential

learning modules and is intended for delivery in out-of-school group settings to be facilitated by an adult. (155 pages)

Wind Curriculum & Kit

**The Power of Wind**  
– Facilitator's Guide

Item: 08384 \$4.95 Grades 6-8

The Power of the Wind activities involve young people in the engineering design process as they learn about the wind and its uses. Facilitator's Guide.

**The Power of Wind – Youth Guide**

Item: 08383 \$4.95 Grades 6-8

The youth guide gives youth space to record their ideas, draw engineering designs, and reflect on their experiences. It also provides specific information for each of the activities in this curriculum. Each youth should have his or her own youth guide.

**The Power of Wind (Set of 2)**

Item: 08385 \$9.65

**The Power of the Wind Materials Kit**

Item: 83504 \$210.00

This comprehensive kit contains materials for youth to practice engineering skills to construct wind powered machines and various wind turbines. Students use their turbine designs to lift a load and produce electricity. Children learn how generators work using motors and multimeters. This kit contains the materials to complete the activities in The Power of the Wind Curriculum.

Electric Excitement & Kit

Energize and electrify youth with Electric Excitement, the National 4-H Curriculum Electric Energy Series. Youth demystify the "magic" of electric circuits, magnetism, motors and electronics. From making educated guesses (forming hypotheses) and testing them, to building burglar alarms, to learning how to select really good stereo and other consumer items, these activity guides contain dozens of hands-on, useful, and FUN projects. These materials promote technical and scientific literacy while teaching communication and decision making life skills.

**1 – Magic of Electricity**

Item: 06848 \$4.50 Grades 4-12

Electricity is everywhere. Youth explore why certain things insulate from electricity better than others, the effect that magnetism has on various substances, how to build a flashlight, build and test a compass, build an electromagnet and electric motor. (40 pages)

**2 – Investigating Electricity**

Item: 06849 \$4.50 Grades 4-12

Decoding circuit diagrams, sending messages by Morse code and building three-way switches are featured. Youth build circuits and test voltages, build a rocket launcher and a burglar alarm as they practice decision making and communication. This unit is designed for youth who understand magnetism, electron flow and circuit design. (40 pages)

**3 – Wired For Power**

Item: 06850 \$4.50 Grades 4-12

Youth build on skills learned in Levels 1 and 2 plus learn some new ones, such as measuring electrical usage, replacing electrical switches and determining electrical loads. Youth also evaluate different light bulbs and test for electrical power. (40 pages)

**4 – Entering Electronics**

Item: 06851 \$4.50 Grades 4-12

Youth learn about diodes, transistors, LEDs, photocells, SCRs, ICs and amplifiers. This guide is designed for intermediate to advanced learners. An understanding of DC circuits, voltage, amperage, current flow, polarity and some soldering is needed. (44 pages)

**Electric Excitement – Helper's Guide**

Item: 06852 \$4.50 Grades 4-12

This helper guide has a number of exciting group activities that keep members coming back for more. It includes a variety of group activities that can be organized quickly and conducted with a group of three to fifteen youth. Youth learn how to conduct an electric skillathon, quiz bowls, electric bingo and how to calculate amperage. (40 pages)

**Electric Excitement – Complete Set with Helper's Guide**

Item: 06882 \$21.95

**National 4-H: Magic of Electricity Materials Kit**

Item: 83505 \$150.00

This kit contains the hands-on materials used to study electrical circuits, magnetism, and electromagnetism. Youth will make series and parallel circuits, create an

electromagnet, build a galvanometer, and make a working electric motor. This kit contains the materials to complete Magic of Electricity, Book 1 of the Electric Excitement series.

**Bundle: Amphibians, Butterfly WINGS, and Entomology**

**Science Bundle: Amphibians, Butterfly WINGS, and Entomology**

Item: BUNDLE \$41.95 Grades 4 and Up

Buy all three curriculum sets together and save!

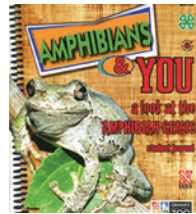

This Curriculum Bundle contains every book from the Entomology, Amphibian, and Butterfly Curriculum for an amazing learning experience that covers a

variety of subjects in an in depth way! Great for ages 8-16, although programming can be modified to accompany older and younger youth.

**Amphibians – Leader’s Guide**

Item: 4H5140 \$7.95 Grades 6 and Up

Encourage youth in your community to discover native amphibians and their value to the ecosystem. Students will learn how to identify native amphibians and conduct field research. Youth will feel a sense of accomplishment

and pride knowing that they are contributing data to local herpetologists that will aid in the conservation of these magnificent creatures. Can be adapted for younger and older youth.

**Amphibians Student Journal**

Item: 4H5150 \$7.95 Grades 6 and Up

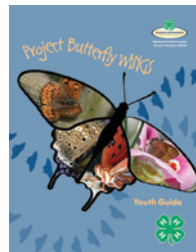

The student journal gives youth space to record their ideas and reflect on their experiences. It also provides specific information for each of the activities in this curriculum. Each youth should have his or her own notebook.

**Amphibians Set**

Item: 4H5160 \$15.95

**Project Butterfly WINGS – Youth Guide**

Item: 08392 \$7.95 Grades 4-8

Youth explore butterfly habitats, learn how to identify common butterflies, become a citizen scientist and contribute data as they enter their findings on the web site. Youth create investigations to answer questions or solve problems and share their findings with others.

**Project Butterfly WINGS – Facilitator’s Guide**

Item: 08393 \$7.95 Grades 4-8

Provides supplemental information and tips for facilitating the Youth Project activities, including in-depth answers to questions. Engaging group activities are provided for each chapter and can be adapted to 4-H project groups, clubs, after-school programs, camps or other youth groups.

**Project Butterfly WINGS (Set of 2)**

Item: 08394 \$14.95

**Entomology – Teaming With Insects**

Teaming with Insects increases youth science literacy using insects and their relatives. Each manual has age appropriate activities in the following categories:

Be an Entomologist; Biodiversity; Invasive Species; Integrated Pest Management; and Forensic Entomology. Because science is interconnected, many of the activities show interrelationships among insects, plants, and the environment.

**Level 1**

Item: 08440 \$4.95 Grades 3-12

Level 1 introduces the world of insects. Activities focus on how they look and move and provide some background for studying important entomology topics. (44 pages)

**Level 2**

Item: 08441 \$5.95 Grades 3-12

Level 2 shows you how to make insect collection tools and expands on the basic concepts of biodiversity, invasive species, integrated pest management, and forensic entomology. (56 pages)

**Level 3**

Item: 08442 \$4.95 Grades 3-12

Level 3 delves even deeper into the basic concepts and encourages youth to take control of their learning by doing your own research using the scientific method and reference materials. (36 pages)

**Facilitator's Guide**

Item: 08443 \$5.95 Grades 3-12

Provides supplemental information and tips for facilitating the Youth Project activities including helpful information on exploring insect study, the contribution of insects to biodiversity, how to manage pests, invasive species, and forensic entomology. (52 pages)

**Teaming With Insects – Complete Set of 4**

## Exploring Beef Health & Husbandry

### Exploring Beef Health and Husbandry

Item: 08455 \$24.95 Grades 5-8

This curriculum is designed as the guide for a project facilitator. The activities and background information in this curriculum will help youth develop the requisite knowledge and skills associated with raising and showing beef cattle. Activities are youth centered and

include opportunities for the application of knowledge and skills at three different levels of experience: beginner, intermediate, and advanced.

Topics include:

- Bio-security risk assessment and mitigation strategies.
- Budgeting decisions associated with raising and housing cattle.
- Dietary needs of beef cattle at different life stages.
- Elements of beef cattle conformation.
- Pre-show preparation; showmanship; and judging.
- Strategies for crossbreeding cattle.
- Ethical decision making in caring for and showing swine.
- Tip-to-tail health assessments.

## Exploring Swine Health & Husbandry

### Exploring Swine Health and Husbandry

Item: 08456 \$24.95 Grades 5-8

This curriculum is designed as a guide for the project facilitator. The activities and background

information in this curriculum will help youth develop the requisite knowledge and skills associated with raising and showing swine. Activities are youth centered and include opportunities for the application of knowledge and skills

at three different levels of experience: beginner, intermediate, and advanced. (194 Pages)

Topics Include:

- Bio-security risk assessment and mitigation strategies.
- Budgeting decisions associated with raising and housing swine.
- Dietary needs of pigs at different life stages.
- Elements of swine conformation.
- Pre-show preparation; showmanship; and judging.
- Strategies for crossbreeding swine.
- Ethical decision making in caring for and showing swine.
- Tip-to-tail health assessments.

## Horse

These horse project guides provide an interactive curriculum for youth that is hands-on and grounded solidly in subject matter. Youth will develop life skills while exploring horse science.

### 1 – Giddy Up & Go

Item: 08053 \$4.50 Grades 3-12

Youth who may or may not have a horse or pony of their own but want to learn about horses will enjoy Giddy Up & Go. They will learn the basics of horse behavior, breeds, and safety around horses through a variety of activities, including teaching others. (40 pages)

### 2 – Head, Heart & Hooves

Item: 08054 \$4.50 Grades 3-12

Youth learn more about acquiring and raising a horse including selecting a horse, horse nutrition and care, equine teeth and bones, judging, including giving oral reasons and much more. (40 pages)

### 3 – Stable Relationships

Item: 08055 \$4.50 Grades 3-12

Youth explore horse reproduction, diseases and health care, pasture management, providing appropriate shelter and building a financial plan. (40 pages)

### 4 – Riding the Range

Item: 08056 \$4.50 Grades 3-12

Youth learn nine basic riding skills and ten horsemanship skills, training techniques, trail riding and selection and use of tack. (40 pages)

### 5 – Jumping To New Heights

Item: 08057 \$4.50 Grades 3-12

Youth learn more advanced riding skills, the Quarter System, horse showmanship, ethics and leadership. (40 pages)

### Horse Helper's Guide

Item: 08058 \$4.50 Adult/Leader

Get everyone involved at group meetings using any of the 17 featured group activities. (40 pages)

## Horse – Full Set with Helper's Guide

Item: 08059 \$25.95 Grades 3-12

A full set of all horse curricula with Helper's Guide

## Dog

Every youth who has a dog will enjoy this series. Not only are the activities fun and educational, but they also help the dog become a perfect member of the family.

### 1 – Wiggles and Wags

Item: 08166 \$4.50 Grades 3-12

Youth learn basic skills for dog care and training. Activities include knowing breeds, selecting a dog, knowing the parts of a dog, keeping a dog healthy and groomed, training and much more. (40 pages)

### 2 – Canine Connection

Item: 08167 \$4.50 Grades 3-12

Youth explore more about dog health, nutrition, care, genetic problems, population control, showmanship, training, ethics and budgeting. (40 pages)

### 3 – Leading The Pack

Item: 08168 \$4.50 Grades 3-12

Experienced youth investigate responsible breeding, diseases, caring for geriatric dogs, training, service dogs, dog roles and careers related to dogs. This guide provides youth with numerous leadership opportunities. (40 pages)

## Dog Helper's Guide

Item: 08169 \$4.50 Adult/Leader

Group games and activities provide helpers with ideas for facilitating learning. Service learning opportunities are encouraged. Training activities and resources are highlighted. (40 pages)

## Dog – Full Set with Helper's Guide

Item: 08170 \$16.95 Grades 3-12

A full set of all dog curricula with Helper's Guide. Every youth who has a dog will enjoy this series. Not only are the activities fun and educational, but they also help the dog become a perfect member of the family.

## Rabbit

Any youth who likes rabbits will find fun and enjoyment as they use these activity guides to learn more and develop skills.

## 1 – What's Hopping?

Item: 08080 \$4.50 Grades 3-12

Youth learn selection, handling, breeds, parts, management, equipment, feeding, health, breeding and kindling. (40 pages)

## 2 – Making Tracks

Item: 08081 \$4.50 Grades 3-12

Through activities, youth learn to select a rabbit, detect diseases, tattoo their rabbit, keep records,

show rabbits, and judge rabbits, including giving oral reasons. (40 pages)

## 3 – All Ears

Item: 08082 \$4.50 Grades 3-12

Advanced youth fully explore rabbit management practices through breeding, genetics, culling, designing a rabbitry, marketing rabbits, preventing diseases and registering a rabbit. (40 pages)

## Rabbit Helper's Guide

Item: 08083 \$4.50 Adult/Leader

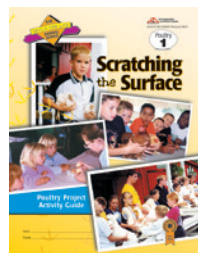

Fifteen exciting rabbit group activities make group learning fun and educational. (40 pages)

## Rabbit – Full Set with Helper's Guide

Item: 08084 \$16.95 Grades 3-12

A full set of all rabbit curricula with Helper's Guide.

## Poultry

Youth with an interest in poultry will find lots to learn and lots to do through the poultry activity guides.

## 1 – Scratching The Surface

Item: 06363 \$4.50 Grades 3-12

Youth participate in activities such as identifying poultry species and breeds, selecting poultry, feeding and handling, washing and showing poultry, exploring an egg and cooking eggs. (40 pages)

## 2 – Testing Your Wings

Item: 06364 \$4.50 Grades 3-12

Youth select layers, keep their poultry healthy, identify pecking order in a flock, read a feed tag, explore retail products, identify poultry bones, grade carcasses, use the Standard of Perfection to evaluate poultry, make a budget and examine an egg using an egg candler. (40 pages)

## 3 – Flocking Together

Item: 06365 \$4.50 Grades 3-12

Youth develop leadership skills by managing a flock, processing chickens, exploring careers, planning a judging clinic, conducting poultry games and discussing values and ethics. (40 pages)

## Poultry Helper's Guide

Item: 06366 \$4.50 Adult/Leader

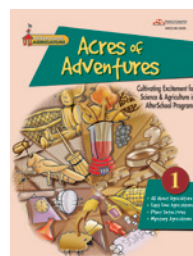

Helpers learn to guide youth as they participate in 15 learn-by-doing group activities. (40 pages)

## Poultry – Full Set with Helper's Guide

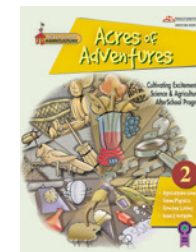

Item: 06375 \$16.95 Grades 3-12

A full set of all poultry curricula with Helper's Guide. Youth with an interest in poultry will find lots to learn and lots to do through the poultry activity guides.

## Afterschool Agriculture

Looking for ways to introduce young people to the world of agriculture and life sciences while expanding your collection of fun-filled after-school science activities keyed to national standards?

Then this curriculum is for you. Each uniquely themed guide contains 40 hands-on lessons developed in cooperation with curriculum specialists from the National Consortium of State Agriculture in the Classroom programs, Extension 4-H

professionals and experts from the field of child-care education. It was designed to increase agricultural literacy among 3rd through 5th grade audiences while developing their understanding, appreciation and application of science through a variety of agriculturally-based activities.

## Acres of Adventure - 1

Item: 08330 \$7.50 Grades 3-5

Adults and older youth will enjoy using these lesson plans to quickly engage youth in learn-by-doing agriculture activities within the following thematic units: Plant Detectives, Mystery Agriculture, All about Agriculture, Fast Food Agriculture. (100 pages)

## Acres of Adventure - 2

Item: 08331 \$7.50 Grades 3-5

This group activity guide for the after school teacher provides ready to use lesson plans that will quickly involve youth in experiential activities related to the following thematic units: Insect Invasion, Farm Physics, Agriculture Gone Wild, Frontier Living. (100 pages)

## After-School Agriculture (Set of 2)

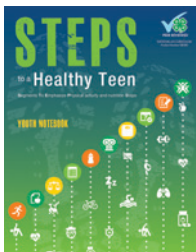

Item: 08332 \$15.95 Grades 3-5

(Acres of Adventure is what most know it by)

## STEPS to a Healthy Teen

STEPS to a Healthy Teen  
– Facilitator's Guide

Item: 08390 \$10.95 Grades 8-12

The purpose of the curriculum is to help youth develop skills and knowledge in physical education and nutrition. Using identified learner outcomes and success indicators, facilitators can easily lead fun, interactive learning experiences. Participants experience

a variety of learning methods and tools such as games, case scenarios, computer software programs, cooking demonstrations, and fitness challenges. These interactive activities enhance learning and retention. Most activities range from 45 to 60 minutes.

Each activity includes a Teen Research (TR) Challenge, a take-home task. The TR Challenge encourages healthier lifestyles through thought-provoking activities for teens to solve themselves or with their families.

STEPS to a Healthy Teen  
– Youth Notebook

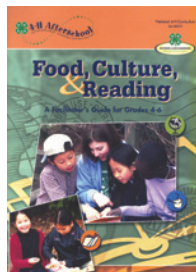

Item: 08391 \$8.95 Grades 8-12

The youth notebook gives youth space to record ideas and reflect on their experiences. It also provides specific information for each of the activities including a "did you know?" section. Each youth should have his or her own youth notebook.

## Food, Culture, &amp; Reading

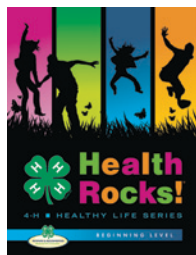

Food, Culture, and Reading  
– Leader's Guide

Item: 08379 \$12.50 Grades 4-6

This nutrition education curriculum uses a wide variety of experiential activities to help youth recognize healthful foods within each food group, taste new foods, explore the similarities of foods, and develop an understanding and appreciation of different cultures. (106 pages)

## Health Rocks!

Health Rocks! is leader's curricula for a healthy living program aimed at 8 to 14 year olds, with the goal of bringing youth, families and communities together to reduce tobacco, alcohol and drug use by youth. It helps youth develop life skills in the areas of

critical thinking, decision-making, communication, managing feelings, stress management and goal setting to help them resist risky behaviors. It also provides accurate health information regarding norms and consequences of youth tobacco, alcohol, and drug usage. The curriculum is designed for teen/adult facilitation. Teaching tips and key health messages are embedded within the activities.

## Health Rocks Beginning Level 1

Item: 08380 \$9.95 Grades 3-6

Written for 8 to 12 year olds. The 21 activities use hands-on experience to facilitate youth learning, including concepts review and learning assessment at each chapter's end. A retrospective impact evaluation is included in the appendices along with additional resources, glossary, training outline and teaching tips. An accompanying CD-ROM provides resources for teen/adult leaders and youth participants. (142 pages)

## Health Rocks Intermediate Level 2

Workforce/Personal Development

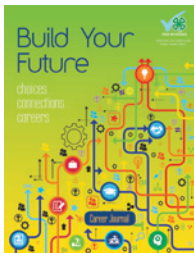

**Build Your Future: Choices... Connections... Careers – Facilitator's Guide**

Item: 08562 \$13.95 Grades 8-12

The purpose of the curriculum is to help youth develop skills and knowledge in career exploration. Using identified learner outcomes and success indicators, facilitators can easily lead fun, interactive learning experiences. Participants experience a variety of learning methods such as developing a business plan, competing in a quiz bowl, creating a portfolio, analyzing case studies, and discussing questions that reflect on their experiences. These interactive activities enhance learning and retention. Most activities range from 30 to 90 minutes.

**Build Your Future: Choices... Connections... Careers – Youth Career Journal**

Item: 08561 \$10.95 Grades 8-12

The Build Your Future Career Journal will allow youth to record their discoveries throughout the curriculum, record their thoughts and observations, and reflect on their experiences. The activities give youth a "hands-on" ways to find out what type of career they would like to pursue.

Each youth should have his or her own career journal.

**Build Your Future: Choices... Connections... Careers (Set of 2)**

Item: 08563 \$23.95

**Career Education Bundle Sale!**

Item: 08564 \$58.95
