## 4-H Centennial Exhibit Authentication Card

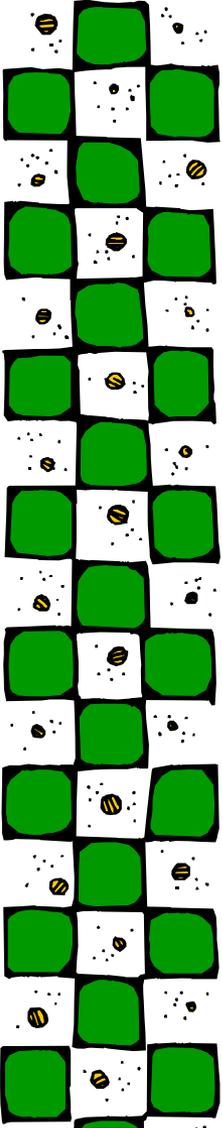

Securely attach to the front of an exhibit to verify and date its historic significance to our 4-H Centennial celebration.

<b>Dating Artifact</b> This is the year the item was made, obtained or used.	Year 2009	Decade
<b>Authenticating Artifact</b> Be specific in describing how the items in the exhibit were authenticated? Include web sites, books, reference materials, interview, etc.	This quilt was designed and sewn by a group of 10 year old girls with the help of their volunteer adult. The group researched the clover history on the National 4-H Headquarters web site and then designed and created each block. The quilt will be used as a prop for members to tell this history to other 4-H members	
Specify conservation, restoration, or preservation method chosen and why?	Quilt was made from new materials.	
If known...	Who did the item belong to? Sew N Style 4-H Club	The county & state in which they lived? Carter County OK
Other interesting details or stories uncovered during research?	The pledge tells everyone what 4-H is all about. It was adopted in 1927. The phrase "and my world was added in 1972. The first clover was a three leaf clover with the words Head, Heart and Hands written on the leaflets. The 3 leaf clovers on our quilt were pins designed by O.H. Benson from Wright County. Since the first clubs were corn clubs the corn or the corn kernel was place to insert the county name. Mr. Benson and others are give credit for making the 4 leaf clover around 1908.
